

Cultural Humility Virtual Conference
Schedule At-A-Glance
October 11, 2025 9am-5pm EST

Notes:

1. Presenters and Participants: It is important that we hold to these scheduled times for each presentation. Due to the nature of this conference and to maximize the CEU credits for our participants, we have scheduled the conference with back-to-back sessions without time in between sessions. The breakout rooms will close automatically at the scheduled time of each session to allow us to stay on this schedule. Thank you for understanding.
2. The main room will be open throughout the conference, please come back to this room if you are having any difficulties so that we can help you solve your issue.
3. Further Discussions: If participants are less concerned about CEUs and would like to further a discussion about a session or a topic with others, please come to the main room and request a separate breakout room.
