BOARD OF DIRECTORS********CALL FOR NOMINATIONS**

The Board is the governing body of the Association and uses the framework of the Bylaws to develop programs and policies that support NBASLH's Mission. The Board also has a fiduciary responsibility to raise, monitor, invest and allocate funds in the Association's best interest. While time and commitment are the major ways Board members have invested in the organization, donations of cash and stock along with In Kind services have emerged as additional voluntary investments from Board members providing the organization with new revenue streams. Particular "streams" that are generated within the association, may assist in helping NBASLH qualify for corporate matches in the future. Affiliates and members may choose to sponsor a Board member as a way to contribute financially. Lastly, vacancies in officer positions and committees may occur during one's tenure. It is hoped that each nominee is prepared to assume coordination and leadership roles as their skills and time permit.
