

Minority Student Leadership Program (MSLP) Application Opens Today

Deadline: May 8, 2017

It's Time to Focus on the Big Picture

You say that you want to be a leader. Then, it's time to focus on the big picture! Do you possess the skills necessary to move you up the leadership ladder? Have you identified the values that leaders need? Do you want the opportunity to talk to ASHA leaders about their respective journeys to success? If you've thought about volunteering at ASHA, becoming ASHA president, or learning more about leadership opportunities, then the Minority Student Leadership Program (MSLP) is for you.

The MSLP will provide you with

- tips and strategies to develop a leadership plan;
- educational programming and activities to build and enhance your leadership skills;
- an understanding of how the association works; and
- an opportunity to interact with leaders in the communication sciences and disorders (CSD) professions.

The MSLP [application](#) is available now through May 8, 2017. To learn more about the program, visit the [FAQs page](#), or send an e-mail to mslp@asha.org.
